

FRIENDLY FRIDAY

Can you think of any other words that mean the same or similar to the word 'FRIENDLY'?

Words

sociable

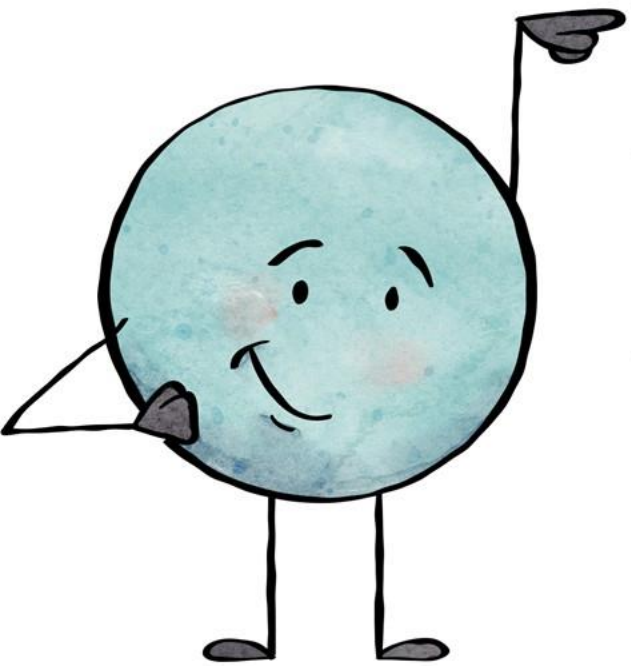

chummy

amiable

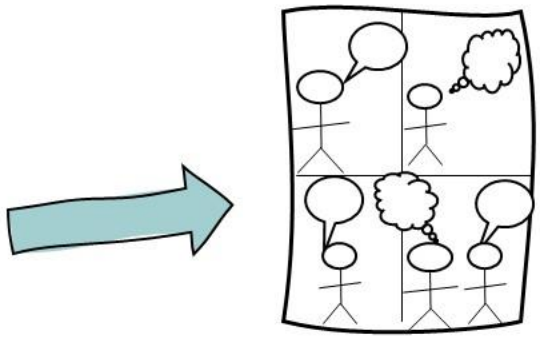

neighbourly

Can you think of a time when you were friendly?

Activities

- Think about the funniest time you have had with a friend. What happened? Talk about it with someone. How did it make you feel?
- Draw a comic strip of that time. All you need to do is get a piece of paper and a ruler. Divide your page into 4 boxes. You can draw speech bubbles and talking bubbles.
- You don't always need to be with someone to have fun. Try connecting with one of your friends today. It might be a message, email, phone call or even a video chat if you are at home.

Having fun times with friends feels amazing

Affirmations
