

Are you  
ready for ...

Success  
Sunday

I can achieve  
great things

What do you think it means to 'ACHIEVE'  
something?

It means working hard to get to your goal

You can achieve lots of things if you try hard

You will have achieved many things this week

# Activities

- Think about the learning you have achieved this week. It might have been at school or it might have been at home. It might be schoolwork, or it might be a skill you have learnt to do. Talk about your achievements with someone.
- Make your own 'achievement' photo frame today. Think about the best thing you have achieved this week and either draw a picture of it or ask someone to take a photo of you. Using a piece of card, could be a used cereal box, make a photo frame and each week put in a photo or drawing of you achieving something. Make sure you decorate your photo frame.

You can achieve many things if you try
