'At Heatherlands we believe every child deserves the best start in life'

Dear Parents and Carers of Year 2,

We are fast approaching the trip to Beaulieu in June so I am writing to confirm a few details about the trip to ensure that everyone is aware of the plan for the day. The cost of the trip is £27.50 which covers the coach journey and half price entre fee. This can be paid through Arbor or via the office. If we do not receive enough funds, we will sadly have to cancel the trip. Please speak to the office if you have any problems with this payment

- The trip is on Friday 5<sup>th</sup> of June.
- The children will wear their normal school uniform, including school jumpers. However, trainers are acceptable as there is a lot of walking! (If the weather is hot, we will message and the children will then need to wear PE kits with their school jumper.) All children will need a hat and suncream applied before leaving home in the morning.
- All children require a packed lunch, in a backpack and plenty of water. There are refill stations at the museum, however, it is easier if the children have a full water bottle and an additional drink if they require it. If you have ordered a Chartwell meal, this will be replaced with a packed lunch.

We will need parent helpers for this trip, so please let us know on the form below if you are available. If you are able to help, we will be in touch to let you know when your support is needed.

### Important information

The coach will leave Heatherlands at around 9am – please ensure all children are in school on time as we have a long journey ahead and do not want to leave any later. Our arrival time is 10.15am.

The return coach journey is booked to leave Beaulieu at **3pm**. This is to give us as much time at the venue as possible and to avoid the end of school rush. **Therefore, we anticipate arriving back at Heatherlands at around 4.15pm.** We will communicate any delays via the school office. Please ensure you are there to meet us when we return, to collect your child. The teachers will get their classes off the coaches and lined up first, to ensure that the children are dismissed safely.
