

Terrible Tudors!

Year 5 are launching their home learning project for the rest of this half term. We would like the children to work on one or more projects over this half term. If you need some inspiration, there are a few suggestions below...

Create a poster about Henry VIII and his 6 wives.	Create a fact file all about the Tudor period.	Create a portrait of one of the Tudor Monarchs in the same style as the Tudor period.
Create a model of the Bosworth.	Create a model or fact file of one of the Tudor punishments.	Create a model of a Tudor house and research how they lived.

There is no expectation that children will complete all the tasks, these are just ideas for the children to work on. Projects are due in on **Monday 13th July**.

The children will have the opportunity to share their projects throughout the week and Year 1 parents will be invited in on **Friday 17th July at 3pm** to view the projects across the classes.

We look forward to the wonderful projects that the children bring in. We hope you enjoy the opportunity to show your imagination and creativity! As always, any questions please ask your class teacher. Thank you for your support!
